1. [REDACTED] has just returned from his trip to [REDACTED] to establish [REDACTED] program [REDACTED] and has reported to me on the results of the mission. I know you will be pleased to learn of the superior degree of assistance and cooperation furnished by all hands in the field that contributed so measurably to our operation.

2. The real help furnished at the start of this activity, and now continuing, is appreciated greatly. We are indeed fortunate to have personnel of this calibre as field representatives. The assistance you indicated might be available was tested and found more than adequate for every request placed upon it.
